

## *REQUEST FOR APPLICATIONS*

*POST-DOCTORAL FELLOWSHIP IN PARIS  
DEADLINE: FRIDAY, FEBRUARY 6, 2004*

The Pasteur Foundation is pleased to announce the next deadline for fellowship applications. These three-year fellowship positions are open to U.S. citizens (not currently in France) wishing to work in the laboratories of the Institut Pasteur. Located in Paris and founded by Louis Pasteur in 1887, the Institut Pasteur is one of the world's leading private nonprofit centers for infectious disease research. With 2500 people of 60 nationalities, its 130 research labs are devoted to the basic science of improving global public health.

**Application Deadline: February 6, 2004.**

## Pasteur Post-Doctoral Fellowship Program in Paris Request For Applications

**Next deadline: Friday, February 6, 2004**

In collaboration with the Institut Pasteur, the Pasteur Foundation has launched a program to bring U.S. post-doctoral researchers to work in Institut Pasteur laboratories in Paris thanks to the generosity of U.S. donors. Guided by the institute's administration which seeks to develop international scientific exchanges to ensure the vitality and quality of Institut Pasteur labs, this program is uniquely for American citizens and does not apply to candidates already in France. The fellowships are \$60,000 (\$45,000 fellowship plus \$15,000 bench fees to support the research) per year for a term of three years.

### **APPLICATION REQUIREMENTS**

#### **■ 1 COPY OF EACH OF THE FOLLOWING:**

- ❖ A passport size photo,
- ❖ Reprints of candidate's most significant publications (1 copy of each),
- ❖ 2 sealed letters of recommendation addressed directly to the Direction de l'Évaluation Scientifique,
- ❖ A letter of support justifying the project from the head of department (Institut Pasteur) to be sent directly to the Direction de l'Évaluation Scientifique.

#### **■ 13 COPIES OF EACH OF THE FOLLOWING:**

- ❖ A letter of request from the sponsoring head of the host laboratory or unit at the Institut Pasteur. [The first step is to identify a host laboratory head so that he or she may serve as your sponsor; a list of Institut Pasteur laboratories may be found at [www.pasteur.fr/recherche/unites-en.html](http://www.pasteur.fr/recherche/unites-en.html)],
- ❖ Candidate's Curriculum vitae (2 pages), list of publications and a synopsis of scientific accomplishments (3 pages),
- ❖ A brief description of the research program to be written by the candidate (3 pages), with emphasis on how this relates to the work-in-progress in the host unit or lab. The project must be described within the context of the actual international state of the subject (with three key bibliographic references), and must state the project's objectives, experimental strategy and feasibility. \*
- ❖ Summary of the research program (15 to 20 lines). \*\*

#### **■ PDF VERSION OF CANDIDATE'S CV, PROGRAM DESCRIPTION (\*) AND SUMMARY (\*\*) MUST ALSO BE SENT TO NBACHALA@PASTEUR.FR BY THE APPLICATION DEADLINE.**

Complete applications must be received by the Secrétariat de la Direction de l'Évaluation Scientifique (Attn: Madame Nicole BACHALA, Institut Pasteur, 25 rue du Docteur Roux, 75724 Paris Cedex 15, France, email: [nbachala@pasteur.fr](mailto:nbachala@pasteur.fr)) **no later than Friday, February 6, 2004**. Selection adheres to guidelines for all fellowships attributed by the Institut Pasteur.
